Auto awning / outdoor awnings

Auto awnings are a timeless classic. Offering great value for money, these window awnings offer superior light and temperature control and when coupled with traditional block-out canvas can provide the best method of stopping the sun from hitting your windows.

A more modern approach to this popular product features shade mesh fabric and clean, straight lines. Suitable for ground floor installations the auto awning can be matched with fixed guide awnings on top storey windows.

Maximum size (mm)

4,800(W) x 1,400(D)

3,400(W) x 2,800(D)
